Marshalltown YMCA-YWCA Annual Campaign

GIVE

FOR A BETTER US

"We are new to the United States. Joseph is the first in our family to learn to swim and we are very happy for him.

I as the father have always wanted to learn to swim and hope to do this one day.

We thank you and all your sponsors for this opportunity."

-Joseph Goeh, Sr.

Joseph Goeh, Jr. and family at his graduation from the Y's Teach Them To Swim program, offered free to qualified students from Lenihan Intermediate School.

YOU CAN MAKE A DIFFERENCE

Your gift to the YMCA-YWCA Annual Campaign will help youth achieve their potential and empower people of all ages to lead healthier lives.

Annual Campaign funds support urgent needs:

Improve Health for Everyone

Programs like LIVESTRONG® at the YMCA and the Y's Diabetes Prevention Program address chronic disease and obesity. Y membership assistance reduces health inequities among people of diverse backgrounds.

Strengthen Families and Develop Leaders

Many older adults experience feelings of social isolation, but the Y is here to provide activities for the spirit, mind and body. Fit Kids Afterschool Programs at the Y and Woodbury Elementary infuse leadership development into their curriculum.

Provide a Safe Place for Children to Grow

The Y serves all children from diverse backgrounds through youth membership. The Teach Them To Swim Program ensures that youth and their families practice safety around water.

Nick Woodbury was diagnosed with leukemia at the age of 24.

The disease at times left him feeling helpless. He said he contacted Tara at the Y

"because I knew she would help me." Nick joined LIVESTRONG at the YMCA and found the support he needed to get strong again. He said, "It connected me with new people and broadened my horizons. It makes me happy to see other people not dying from cancer but living. That's why I don't like the term 'survivor' - I prefer 'overcomer.' I don't want to just survive, I want to thrive."

EXAMPLES OF WHAT YOUR GIFT PROVIDES:

\$1,008 + Family Membership = everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive

\$442 + LIVESTRONG at the YMCA = 12 weeks of group programming for cancer survivors working to reclaim their health

\$193 + Summer Day Camp = a fun-filled week of exciting activities and character development for a child

\$42 + Swim Lessons = opportunity for a child to learn a valuable skill and a lifelong, healthy activity
